

Dual citizenship and loss of citizenship in Europe, 2026

Type of provision under which voluntary acquisition of another citizenship can lead to loss of citizenship

Type of loss provision

- No provision
- Only applies to naturalised citizens
- Generally applicable (lapse)
- Generally applicable (withdrawal)

Source: GLOBALCIT v3.1 with updates for Germany and Ukraine*. Council of Europe states, 4 May 2026.
*Since Jan. 2026, loss applies only when an adult voluntarily acquires citizenship of an aggressor/occupying state or of a state outside Ukraine's simplified-citizenship list (Canada, Germany, Poland, US, Czechia).
#Spain: Loss applies only to citizens resident abroad and is avoidable by a declaration of retention within 3 years.
